

CLARIFICATION ON “MY TRIP IN SABAH” BOARD GAME WINNER

Singapore, 3 September 2025 – The Sabah Trade and Tourism Office Singapore (STTOS) wish to provide clarification regarding the *Sabah National Board Game Design Competition* and its winning entry, “*My Trip in Sabah*.”

The official and sole winner of the competition is **Mr. Poon Jon**, whose creative design was selected as the top entry. In the printed version of the game box, the name of **Mr. Daryl Chow** was also featured. Mr. Daryl Chow’s role was as a **consultant** who provided professional input to refine the game for broader appeal.

We wish to emphasize that this does not change the outcome of the competition — **Mr. Poon Jon remains the sole recognized winner**. Mr. Daryl Chow’s contribution is acknowledged separately as a consultant, not as a co-winner.

STTOS remains committed to celebrating the creativity of Sabah’s talents while also valuing the expertise of professionals who support the growth of our initiatives. “*My Trip in Sabah*” will continue to be showcased as a reflection of Sabah’s culture, heritage, and tourism through the vision of its official winner.
